MAKEUP AND BROWS

**HD BROWS**

**€30**

HD Brows is a bespoke eyebrow treatment that is tailored to you. Involves combining a unique design formula with custom-blended tint to suit your skin tone & hair colour. Hair removal including waxing, threading, plucking, trimming & slight makeup application for brows that suit you.

**HD SCULPT/LAMINATION**

**€45**

Brow lamination involves straightening the brow hairs using a chemical solution. It lifts the hairs from the root and sets them in place meaning the brows appear thicker, fluffier and always stays in place. Helps to soften coarse hair and hair growing in different directions.

**HYBRID TINTS**

**€35**

A mix of richly pigmented tints, it can last 1-2 weeks on the skin and up to 7 weeks on the hair. This is for a more defined brow style. Includes waxing & threading.

**LVL LASH LIFT**

**€45**

A lash perm that lifts, volumises, lengthens and tints your natural lashes. Giving your lashes a longer & thicker result. Lasts upto 8 weeks.
